

HASSAN IFTIKHAR

Laravel / PHP Developer - Internship Candidate

Faisalabad, Pakistan | 0303 6371071 | hassaniftihar776@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFILE

Aspiring full stack Laravel developer seeking a software development internship to apply hands-on experience with PHP, Laravel, MySQL, Blade, Bootstrap, JavaScript, and Git/GitHub. Built and tested a complete Student Management System with multiple CRUD modules and a dashboard, and eager to contribute to real-world Laravel projects while growing as a professional developer.

TECHNICAL SKILLS

Backend: PHP, Laravel, MVC, Eloquent ORM, CRUD, Routing	Frontend: HTML5, CSS3, JavaScript, Bootstrap 5
Database: MySQL, Migrations, Relationships	Tools: Git, GitHub, VS Code, Composer
Laravel: Blade, Controllers, Models, Resource Routes	Other: Responsive UI, Form Validation, Debugging

PROJECT

Student Management System | Laravel, PHP, MySQL, Bootstrap

- Developed a full CRUD-based web application for managing students, teachers, courses, batches, enrollments, and payments.
- Implemented Laravel models, controllers, Blade views, migrations, database relationships, search functionality, validation, and dashboard statistics.
- Designed a responsive Bootstrap interface and used Git/GitHub for version control and project management.
